Welcome back

It is good to see you all returned to school safe and well. Once again, extremism reared its ugly head over the weekend, so close to home, and once again we are tested to remain strong and to choose love, not hate. It is wonderful that we can take inspiration to do so from the children as the work below shows. Thank you, Zoey, for your thought provoking work.

It has been a short week but I am glad the children were focused and worked hard over the three days they were here. The children had fantastic opportunities to perform in the Tri-Borough Music Festivals this week at the Royal Albert Hall and the Irish Cultural Centre in Hammersmith. Thank you, Mrs Wiles, for organising the trips and thank you to all the staff and parents that accompanied the children.

On Monday we will have our class photographs taken. Please make sure your children come to school dressed smartly in the summer uniforms. Have a nice weekend!

Tolerance

This is a piece of work from one of our students in Year 6, Zoey Bou Khalil, that she wrote this week. It is an extremely powerful piece of work at a time when perhaps we need it most.

It is important to show tolerance throughout the world because we all are God's children, and none of us should feel unwelcome or treated differently. As Christians we believe that judging someone by their religion is wrong, and should never be done. We need to have courage and strength to stand up to people like this. Honesty is quite important, because if we lie, we are disappointing God, and it could drive people to do terrible things. Resilience is always needed, sometimes we can be shy to let our voices be heard, but we need to stand up for what we think is right, and what will change the world for the better. We should appreciate other people, no matter their belief, and we always need the ambition to stay strong. The ones who are crazy enough to think they can make a difference are the ones who actually do.

WEDNESDAY!

Our Wednesday Word for this week which links in with the Sunday Gospel is: **HOLY TRINITY**

Reception

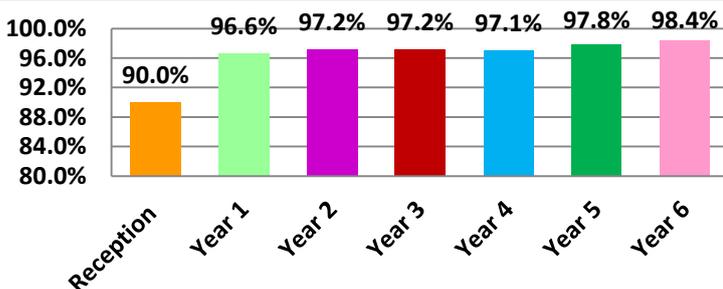

In RE this week, we started our new topic, 'Friends'. We read the story of the rainbow fish and discussed how to share and give to those who have less than us. We also wrote about what we like to do with our friends for our new working wall.

Attendance

Well done, Year 6! You achieved 98.4% attendance this week!

Tri-Borough Music Festivals

This week children have taken part in lots of Music days organised by the Tri-Borough Music Hub. Our flautists went to a Woodwind and Brass Day, our violinists to a String Day, and guitar players to a Guitar Day. On Friday, the Year 5 & 6 choir took part in a Primary Vocal Showcase where choirs from different local schools sang to each other and received feedback from a panel of experts.

A big well done to everyone who took part and thank you to the adults who accompanied them.

Pupil Voice

We are now into the last half term of the school year. The Pupil Voice has a busy few weeks ahead of them.

Coming up:

- Pupil Voice Awards
- Summer Fair
- Presentation to the governing body

Well done to Year Six who won the Attendance Chain Competition run in June. They collected 45 out of a possible 50 chain links. Excellent! They will now enjoy an afternoon at the park.
