

Dates for your Diary

Wednesday 6th September

- KS1 & KS2 return to school

Thank you for a wonderful year...

I would like to take this opportunity to say thank you to children, families and staff who have made this year such a spectacular one. We have had an incredibly successful year for academic results with 90-95% of our Year 6 students reaching Expected Standard in their Reading, Writing, Spelling, punctuation and grammar and Maths, as well as for our fundraising efforts with the PTFA and Summer Fair organising committee helping us to raise £17,362! We have welcomed families from all over the world to our caring community; children have had opportunities to perform at the Royal Albert Hall, Holy Trinity Church and sing with the Bach Choir at St John's Smith Square; we have had the privilege of meeting esteemed visitors such as Bishop John Wilson, Lady Cadogan and Imam Ahmed Dohdouh as well as being invited to meet the Mayor of RBKC, Councillor Marie-Therese Rossi, ex-Chelsea footballer Paul Canoville and many more. Our community has been challenged by many tragic events this year, but we have supported one another, stayed strong and, through Christ, helped each child to achieve their Personal Best. I hope you all have restful and peaceful summers and I look forward to seeing many of you in September.

Mrs Wyatt - Head Teacher

Reception Graduation Day

Congratulations to all the children in Reception who graduated from St Joseph's Catholic School Early Years Foundation Stage! The children celebrated with a graduation ceremony in the front garden with family and friends. We look forward to seeing you join Key Stage 1 in September when you start Year 1.

End of Year Mass

Thank you to all the families and friends who were able to join us on Wednesday for our final Mass of the year. Led by Fr Martin, we had the opportunity to say goodbye to the staff and children that are sadly leaving us as they embark on the next stages of their lives. We wish all of you the very best and, please, come and visit us in the future.

Meet Your New Teacher Morning

On Tuesday, children spent the morning in the classrooms they will be moving into in September to meet their new teachers. This was a fantastic opportunity for both children and teachers to get to know each other a little better and to know that from September there will be a familiar face to greet them for a new year of learning.

WEDNESDAY!

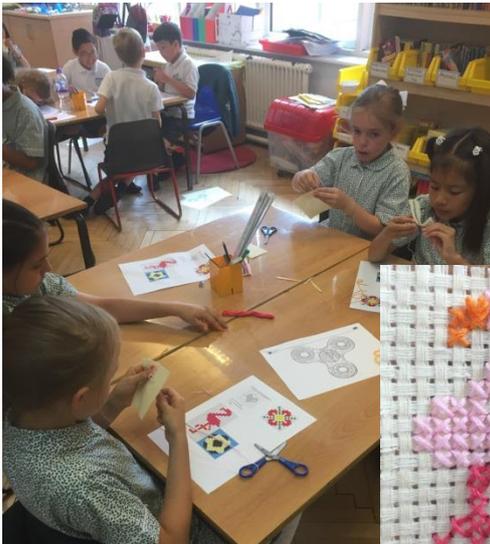

Our Wednesday Word for this week which links in with the Sunday Gospel is: **GROWING**

Year 4

This week Year 4 have been putting their artistic skills to the test and have learnt cross stitching. Having never done it before, three days later they were following patterns and creating beautiful art work. The children showed excellent focus, perseverance and they all tried their personal best to learn something new!

Nicole

Peter Jones's National Treasure Display

Mrs Wiles took children to see Peter Jones's National Treasure Display this week. Last half term children in Reception and Years 1-3 drew pictures of an adult who is special to them which were entered into an Art competition run by the department store. 45 of our entries have been chosen to be displayed in the windows of Peter Jones over the summer. Peter Jones have kindly donated art resources to the school as a thank you for all the children's hard work.

Pupil Voice

Thank you to all children who have been a part of the Pupil Voice this year. We have accomplished a lot this year and look forward to next year. Goodbye to all of our wonderful children in Year Six. We will miss you all so much. Good luck in your new schools and don't forget to visit!

Attendance

Well done, Reception! You achieved 99.3% attendance this week!
