

Dates for your Diary

Scholastic Book Fair Monday – Friday

Monday 11th June

- NSPCC Assemblies for KS1 & KS2

Tuesday 12th June

- Class Photo Day
- Y4 Trip to British Museum
- Y3 First Holy Communion Mass

Wednesday 13th June

- Y3 Class Assembly at 10.10am
- Y2 Trip to Holland Park

Thursday 14th June

- Executive Headteacher's Strategic Vision for St Joseph's presentation at 9am and 6.30pm
- Y5 to Y6 transition meeting at 3pm

An Incredible Start

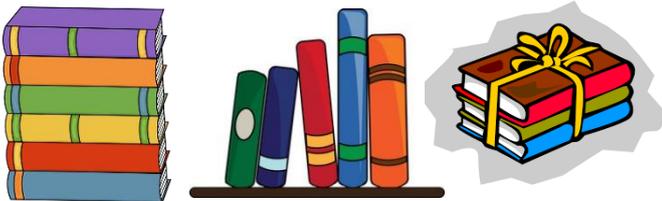

With Mrs Wiles's Summer Concert a glittering success once again, the first week of the second half of the Summer Term has been a magnificent one! The children have returned to school with affirmative attitudes, willing to work hard to achieve their Personal Bests. We have so much to prepare for and have such a variety of activities and events for children and adults alike coming up over the next few weeks, we will all need to follow their example!

On Tuesday, Year 4 and 5 took a glimpse of what exercise in the future might be like on their trip to Harbour Club Kensington. The children tried out PRAMA, a giant interactive space (floor and walls), with flashing lights and music. The children had to work together to press the right buttons that lit up in the space at the right time. I'm sure we'll all be at it soon along with our holidays to Mars!

On Wednesday, Year 6 informed the school about their trip to PGL Liddington in the week before the half term. They were the first class to go to Liddington from St Joseph's and it was clear from their assembly that the children had a fantastic time! The teachers and staff said the children behaved very well on their journey; well done, Year 6, for being excellent ambassadors to the school.

Mrs Wyatt - Executive Headteacher

Scholastic Book Fair

The Scholastic Book Fair is back next week and will be open each morning from 8:45-9:05am and every afternoon from 3:15-3:50pm starting on Monday afternoon. There will be a vast array of books to choose from, from early years to young adults. Each book bought at the fair earns free books for the school and the last Scholastic Book Fair raised over £400. If you're looking for your summer page-turner or something to inspire your Big Writing, make sure you visit the Book Fair next week!

Summer Concert

The children sang and performed beautifully at the Summer Concert on Friday afternoon. It was a glorious event attended by families, friends and neighbours of St Joseph's. The concert was a testament to the incredible musical talent that we have in the school which is honed by Mrs Wiles, our Leader of the Arts. Thank you, Mrs Wiles, for organising such a wonderful event!

WEDNESDAY!

Our Wednesday Word for this week which links in with the Sunday Gospel is:

NOURISH

Year 6

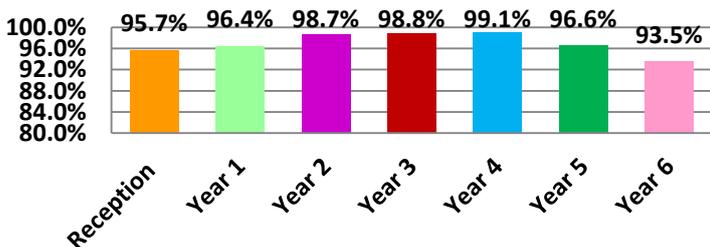

In RE, Year 6 have been focusing on reconciliation: the 'making-up' or 'patching-up' of friendships and relationships. The children discussed how our belief in Jesus gives us the power to forgive and make peace. The children wrote poems about the importance of building bridges between one another even after difficult times.

Friendships are a part of Reconciliation. It develops our relationships. We have lightning's and thunder but they make our friendship stronger. Life is about choices; choices we make we might not take them. The opportunity we have in life is like making a cake - the right ingredients make it work together! Because we are stronger together - with Team work and love.

Attendance

Well done, Year 4! You had the highest attendance this week

Catholic Life

Many of Year 3 recently made their First Holy Communion. It was a momentous and memorable occasion for the children and their families. To celebrate this, Father Shaun is joining us for Mass with the children on Tuesday 12th June 2018 at 2.00 p.m. Parents and carers of children in Year 3 are welcome to attend and celebrate this special occasion with us. God bless all those who have recently received the sacrament of Holy Communion for the first time.

Pupil Voice

Pupil Voice have been working hard this week and have been discussing what summer activities they could organise for the children in the weeks ahead. The weather has been excellent so far this summer (minus the thunderstorms!) so there have been many options involving being outside discussed.
