- Y3 trip to Royal Hospital
- Y4 Homework Sharing at 2pm

#### **Wednesday 11<sup>th</sup> July**

- Y6 Food Tasting Workshops
- Healthy Eating Talks with the School Nurse
- Sports Day at Millennium Arena in Battersea Park at 1.30pm

#### **Thursday 12<sup>th</sup> July**

- Y4 Food Tasting Workshops
- The Cadogan Cup 2017/18 Presentation
- Rec & Y1 Scooter Training
- Y2, 4 & 6 Cheerleading Workshops
- Instrumental Concerts: (Emma & Johan's students - 1.30pm) (Yu-Wei & Nick's students - 2.30pm)
- Report Signing at 3.45-5.15pm
- Chess, Cheese and Chianti event at 6pm

#### **Friday 13<sup>th</sup> July**

- Report Signing at 9.05-9.35am
- Y5 trip to Royal Hospital
- Y6 trip to Battersea Park
- Instrumental Concert: (Ruth's students - 1.30pm)
- Y6 Leavers Mass at 4pm

## *Thank you, once again!*

Once again, the PTFA pulled out all the stops to organise an incredible Summer Fair last Saturday. There was a huge array of entertainment, from street dancing to taekwondo, beautiful singing solos to cream pie faces (not so beautiful!). It was wonderful to see so many members of our community all together doing their bit and enjoying each other's company, to raise money for Project Playground. At the Fair, members of Scoliosis Association UK were also raising money. The charity aims to provide advice, information and support to those affected by scoliosis, a condition which affects the spine. They raised £252.50 on the day which was matched by the PTFA to raise £505 in total.

The Early Years Foundation Stage delivered a wonderful assembly on Wednesday; they shared their learning on the story of St Francis and the Proud Cow, their book, The Hungry Caterpillar and their prayers with the school. Later that day, Mr Stacey, Ms Patel, Miss Stevenson and Ms Rafferty welcomed families who will be starting Nursery in September at the Nursery Welcome Afternoon. All seemed very excited to start their learning journey here in a couple of months.

Next week is set to be incredibly busy; our last full week of the year is dedicated to healthy eating and fitness. Children must wear PE kits all week and please remember to put sun cream on them in the mornings and provide them with lots of water while we're still lucky to have such fantastic weather!

*Mrs Wyatt - Executive Headteacher*

### **Crossing Bridges for Cris Cancer**

Members of St Joseph's staff walked from school past Buckingham Palace, Big Ben and Shakespeare's Globe yesterday to raise money for Cris Cancer Foundation. The charity is an independent non-profit organisation which develops research to beat cancer as a serious health issue.

### **Break a leg, Year 6!**

Children in Year 6 will be performing Roald Dahl's Jack and the Beanstalk tonight. The children had an excellent dress rehearsal this afternoon in front of the whole school who absolutely loved it! Have a great time performing this evening, Year 6.

# WEDNESDAY!

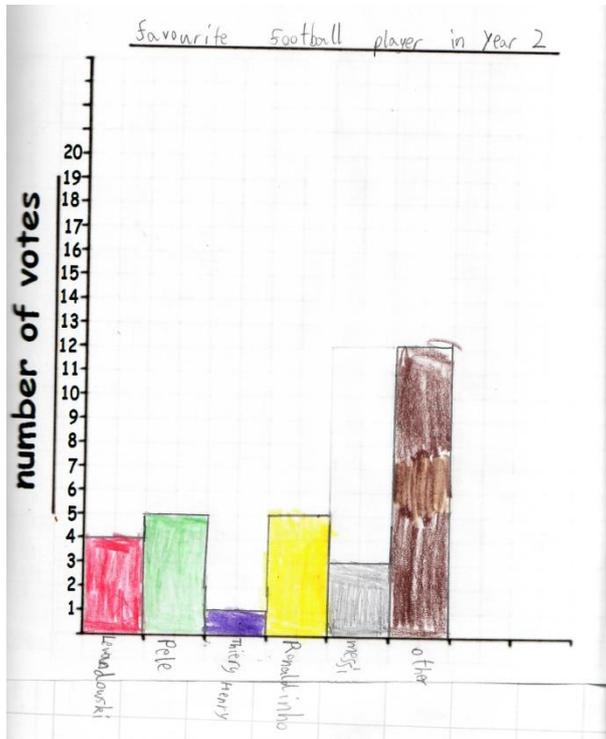

Our Wednesday Word for this week which links in with the Sunday Gospel is:

## WELCOME

### Year 2

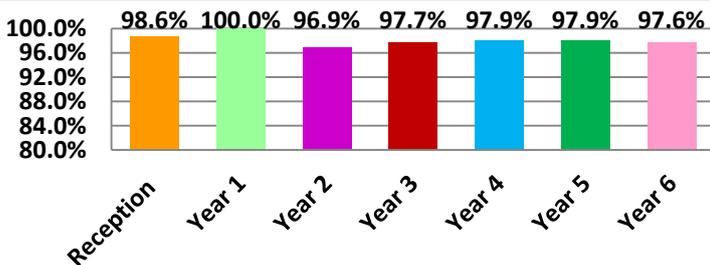

In Maths, the children used tally and bar charts to answer questions. Each child wrote their own question, such as 'Who is your favourite football player?' and used a tally chart to collect data of their classmates' answers. Once they had collated all the answers, they created bar charts to show the results.

### Attendance

Well done, Year 1! You had the highest attendance this week with 100%.

## Catholic Life

Years 4 and 5 were invited to the annual Good Shepherd Mass at Westminster Cathedral on Thursday. The children considered how we are all good shepherds to one another and the sacrifices we are willing to make to support one another when we need it most. The Mass was attended by many other Catholic schools and was a perfect opportunity for peaceful reflection at a very busy time of the year.

## Pupil Voice

Oliver in Year 6 and Mrs Bartley are very pleased with their plants in the Front Garden. As part of the Gardening Team, they planted fauna such as sunflowers and poppies a month ago. Oliver has watered them and cared for them every day, with the help of Mr Ablitt sometimes and with all the sunshine that we have had recently, they have grown even higher than expected. Oliver's experience has encouraged him to do more gardening in the future and one day he plans to participate in the Chelsea Flower Show!
