- Rosary session for families with Fr Shaun in Music Hall at 9-9.20am
- Y6 trip to Chelsea History Festival
- Y4 Homework Sharing at 2.15pm
- Y2 Homework Sharing at 2.30pm
- St Joseph's Quiz Night, 6-8pm

Sunday 13th October

- PTFA International Food Festival

The Leaves Are Turning

It is October already! We have had a great start to the year. Children are working hard and have already produced some very promising work. Last week the PTFA rose £504.87 for Macmillan Cancer Support through their coffee morning, mufti day and bake sale. Well done to all those who volunteered on the day and thank you to those who donated to this very worthwhile cause.

Today is CAFOD Fast Day. Last week Mr Stacey spoke to the children about the positive action that we can all take to show our love and support for others and raise money for those in distress.

Next week the Scholastic Book Fair is here and will be open from 8.45-9.00am and 3.15-3.45pm in the Main Hall. It will run from Monday after school until Friday after school. There is a huge range of books for children, young and old, and every purchase made goes towards earning free books for the school.

On Sunday 13th October, the PTFA will host the annual International Food Festival at school. Families are invited to showcase the food and clothes from their home nations. If you are interested in volunteering on the day or have any suggestions to make this a memorable event for all, please contact your classroom rep or email ptfa.stjosephs@gmail.com.

Mrs Wyatt - Executive Headteacher

St Joseph's Quiz Night

Quiz question: What is this?

Next week on Friday, Mr Shaw will host the spectacular St Joseph's Quiz Night for adults to help raise money for HCPT, a charity which travels with disabled and disadvantaged children and adults on a special pilgrimage to Lourdes, France. It's £5 per person, maximum 6 people per team, bring your own snacks and drink. Please RSVP to jonathan.shaw@stjosephs.rbkc.sch.uk to confirm your attendance for an evening of fun!

Adopt a Chef

Children in Year 4 were lucky this week as they had an informative session on healthy eating with Chef Idris. They were introduced to the 'Eat Well Plate' and discussed the recommended proportions for a healthy diet. They also had a look at the 'tongue map' – a diagram of the tongue with different sections for different taste receptors and how important it is to taste the food and really think about the ingredients that you put into your mouth. One of the key topics discussed involved the use of a chef's hat and apron as a preventative measure against infection and spread of bacteria.

WEDNESDAY!

Our Wednesday Word for this week which links in with the Sunday Gospel is **FAITH**

Year 3

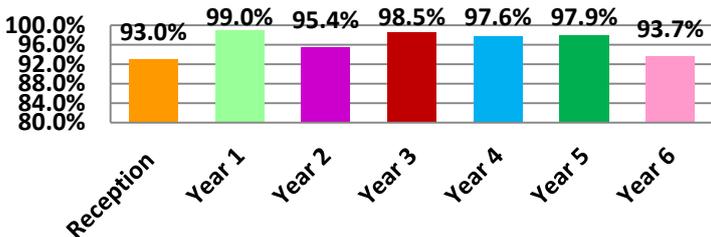

In Year 3, the children have been focusing on using place value to assist them with their addition and subtraction. This week they applied their Maths knowledge to tackle real world challenges by adding and subtracting using money values.

1.	$\begin{array}{r} \pounds 3107 \\ - \pounds 410 \\ \hline \pounds 3900 \end{array}$	$\begin{array}{r} \pounds 34567 \\ + \pounds 12345 \\ \hline \pounds 46912 \end{array}$	
2.	$\begin{array}{r} \pounds 68228 \\ - \pounds 1271 \\ \hline \pounds 5251 \end{array}$	$\begin{array}{r} \pounds 2780 \\ + \pounds 3269 \\ \hline \pounds 6049 \end{array}$	
3.	$\begin{array}{r} \pounds 1720 \\ + \pounds 1580 \\ \hline \pounds 3300 \end{array}$		<i>Great work Abigail you can add and subtract money.</i>
4.	$\begin{array}{r} \pounds 8670 \\ + \pounds 1546 \\ \hline \pounds 10216 \end{array}$		
5.	$\begin{array}{r} \pounds 49477 \\ - \pounds 20533 \\ \hline \pounds 20944 \end{array}$		
6.	$\begin{array}{r} \pounds 12343 \\ - \pounds 5314 \\ \hline \pounds 7029 \end{array}$		

Abigail

Attendance

Well done, Year 1! You had the highest attendance this week with 99%.

Catholic Life

Members of the PTFA joined [Cris Cancer Foundation](#) to run the Color Run last Saturday. They had an incredible time and managed to raise more than their target with £2090! If you would like to donate to this very worthwhile cause, please click on the link below:

The Environment Team News

Don't forget to bring in your used batteries to be recycled, instead of throwing them in the bin! Alkaline batteries like AAA and AA contain properties that can be reused in new products. Help St Joseph's do its bit to save the environment!

Pupil Voice

Gold level accreditation 2019

Hooray! We have achieved Gold level accreditation from Transport for London. The children and staff have worked hard to achieve this award by completing a range of road safety activities and improving sustainable travel throughout the school.
