

Glorious Weather

I hope you have had an opportunity to safely enjoy the wonderful weather we have experienced this week. Children in Years 6, 1 and Reception and children of key workers joined us again this week and had a lot of fun in their bubbles. They even got to enjoy ice lollies in the lovely weather!

Next week is Health and Fitness Week and although we are unable to offer the huge variety of trips, visitors and opportunities we usually do, teachers have worked hard to set exciting and challenging activities that can be completed at home. This year, Health and Fitness Week will not only include activities which help children to consider their physical health, but also their mental health. We hope the children (and perhaps even the adults) find these beneficial. Please let us know how well you get on with your activities and challenges by emailing newsletter@stjosephs.rbkc.sch.uk.

I hope the weather lasts for us all this weekend. Fingers crossed!

Mrs Wyatt - Executive Headteacher

This week, St Joseph's staff enjoyed a quiz on Zoom. In the picture round, their photos were chopped up to form a new face. Can you work out who is in each these pictures?

This week we have had some brilliant weather. Wednesday was officially the hottest day of the year so far. One boy tested how hot the floor was by cooking an egg!

Year 2 wrote amazing shape poems for Mog, a character in the story 'The Baker's Cat' this week. Having used a thesaurus and included ambitious adjectives in his writing to describe Mog, Benjamin wrote his poem in the shape of the cat.

WEDNESDAY!

Our Wednesday Word for this week which links in with the Sunday Gospel is:

LIGHT

Year 3

Year 3 have been reading the fantastic story, 'Fly, Eagle, Fly!'.

This week, Year 3 were asked to create an information report about eagles. They needed to research their own facts and information, plan their work using subheadings, create an exciting title for their page and draw a picture of an eagle.

Martha

Catholic Life

Monday 29th June is the Feast of Saints Peter and Paul. To celebrate, Mrs Wyatt and Mr Stacey would like to invite the children to join them for assemblies via Zoom.

The assembly for EYFS/KS1 will take place at 10-10.15am.

The assembly for KS2 will take place at 10.30-10.45am.

Please see the emails sent today for more information.

We look forward to seeing them there.

Who's Who at St Joseph's: Miss Hamilton

Miss Hamilton will return to St Joseph's next year as our Reception teacher. She is from Melbourne, Australia and has worked in childcare since 2014. During lockdown, she has been grateful for time spent with relatives in Ireland and has enjoyed learning how to use online platforms to teach students. She misses the children very much and is looking forward to seeing them soon.

Pupil Voice

Hi everyone,
This week in school, we have been reminiscing about Pupil Voice and what we achieved in the first half of this year together. A huge thank you to all the children involved in Pupil Voice this year. You have all been exceptional role models and have given 100% to everything we have done. I am sure you will join me in extending a special thank you to the Head Boy and Girl who have done an exemplary job at representing the children of St Joseph's, taking the responsibility seriously and showing what can be achieved by anyone at St Joseph's.
From,
Mrs Bartley

Happy birthday to the following children and adult who celebrated this week:

- Emma – Year 1
- Victor – Year 4
- Ignacio – Year 5
- Mrs Sartori
