

Behaviour Expectations
Promoting Positive Behaviour During The Coronavirus Pandemic
September 2020

All children are required to follow the behaviour expectations outlined below, as well as the revised Home School Agreement, whilst in school. These are in line with government guidelines issued in August 2020.

1. Arrangements for arrival and collection

Children are expected to follow the revised arrangements for arrival and collection, as outlined below:

- I will stand on the lines marked on the external pavement/school pathways when waiting for school to open at my allocated time. I will stand across the road if there is no space.
- I understand that arrival and collection times have been staggered to make sure that I do not mix with other children in the school at the same time.
- I will only enter and exit the school building from the designated gate when instructed to by a member of staff.
- I will sanitise/wash my hands before entering the school building. A member of staff will be at the gate to explain where to do this.

2. Daily routines for hygiene, such as handwashing and sanitising

- I will sanitise/wash my hands at the beginning of the day as well as before and after lunch, before and after break, after using the toilet and whenever asked to by school staff.
- I will be expected to 'catch it, bin it, kill it' if I cough or sneeze. I will also be asked to wash my hands or use hand sanitiser immediately after.
- I will follow good hand hygiene – use soap and water for 20 seconds/hand sanitiser.
- I will avoid touching my face, especially my eyes, nose and mouth, with my hands.
- I will use the toilets responsibly and understand that an adult may need to accompany me to the toilet to ensure that only one child is using the toilet at any time.

3. Moving around the school

- I will walk around the building sensibly, keeping my hands by my sides and not touching anything.
- I will keep an appropriate distance between myself and the person in front of me.

4. Expectations for breaks and lunchtime

- I will sanitise/wash my hands at both the beginning and end of break and lunch.

- I understand that I will be allocated a time to use the playground during morning break and lunch time.
- I will ask permission to use the toilet during break/lunch time to ensure that there is only one child in the toilet at any time. I understand that an adult may need to accompany me to the toilet to ensure that only one child is using the toilet at any time.
- I understand that there will be limited playground equipment to use to minimise the chance of infection.

5. Sharing space, equipment or other items

Teachers will explain changes to the physical environment and the reasons for these. Children will bring in and be given equipment that only they will use. This will be kept at the child's table and not moved.

- I understand that the class furniture has been organised to maximise the space between the tables when children are sat down.
- I understand that I will only use the equipment allocated to me and no other.
- I understand that there will be no sharing of equipment.
- I will not bring in things into school from home, or take things home from school, other than those agreed with the school.

6. General Behaviour Expectations

- I will listen to all members of staff and follow their instructions when given the first time and I understand that if I do not, I may be sent home, as per the Home School Agreement.
