

It is wonderful to see you again!

Welcome back! After almost six months apart, it is so wonderful to see all the children back, ready to work hard, learn and have fun together in school.

A new academic year means new faces. To all of our new pupils, staff and families, welcome to St Joseph's.

Last year was like no other we have ever experienced. We had to close our doors for the vast majority of our community as part of the nation's lockdown to fight coronavirus. We learnt new skills to teach and be taught online through remote learning, skills I'm sure will come in handy in the immediate and distant future for all of us.

This year will bring its own set of unique challenges and opportunities, but by working together, caring for each other and following the teachings of Jesus, we will learn, develop and grow even more.

Have a lovely weekend!

We're Back!

What a great week we have had! It is so good to be back with our friends, having fun and learning at school again! We can't wait for a brand new year of Pupil Voice activities and opportunities!

Meet the Teacher

On Monday 14th September at 6pm, you are invited to Meet the Teacher sessions with your child's class teacher on Google Meet.

These sessions are an opportunity for your child's class teacher to introduce themselves to you, inform you on the curriculum and discuss how you can help to ensure your child gets the most out of their learning this year. These sessions will be recorded and the presentations will be made available on our website if you are unable to attend. More information to follow.

Parent Meetings

1:1 Parent Meetings will take place on Tuesday 15th September, between 3.30pm and 6pm. These meetings will take place on Google Meet and will last 10 minutes. They are an opportunity for you to discuss to child's learning during lockdown last year and their learning in school this year. The School Office will send a questionnaire on home learning during lockdown last year soon. Please fill this in as your answers will be very useful for your meeting with your child's class teacher. Teachers will send information about how to schedule your 10 minute meeting with them next week.
