

An Indian Summer

We have been blessed with some glorious weather this week. Long may it continue as we move further into autumn.

Families that were required to quarantine after returning from abroad in the summer holidays were able to join us this week. It was wonderful to see all the children reunited with their friends and teachers.

This week, parents and carers have had opportunities to get to know their children's teachers and engage in their learning via our Meet the Teacher sessions and 1:1 Parent Meetings. I'm very pleased to hear how many of you were able to attend. If you missed them, please see below on how to catch up.

At our Start of Year Mass today, Fr Shaun led us in prayer to commemorate the beginning of what has already been a different year from usual. Our Head Boy and Girl, House Captains and Pupil Voice Reps were announced too. Congratulations to those children and thank you to Mrs Bartley for organising the elections. To quote a famous superhero's uncle, 'with great power, comes great responsibility' and I have no doubt that the children will be excellent role models and fantastic ambassadors for the school.

Mrs Wyatt - Executive Headteacher

Meet the Teacher presentations are now available on our school website. Under the Parents tab, go to Classes and click on your child's year group to find the presentations. You can also watch the recordings of the presentations via the links sent to parents and carers earlier today. If you have not had your 1:1 Parent Meeting with your child's class teacher yet, please contact the School Office to arrange an appointment.

St Joseph's has been nominated by Tri-Borough Music Hub to become a Music Mark school for the 2020/21 academic year! We have been recognised for the value that we place on music and our commitment to a broad and balanced curriculum, and as a result, Music Mark would like to celebrate it.

Catholic Life

The St Joseph's community was invited to join Fr Shaun and the school at our Start of Year Mass at St Mary's Church earlier today.

The church regularly streams Masses and services via www.churchservices.tv/chelsea1.

Over the last few weeks, we have had the pleasure to welcome several new families to our school. One family wrote to us this week to say they were delighted with their new school. The children said:

"We love everything in our school – the classrooms, teachers, playground, music and PE sessions, lunches and our new friends."

We are so pleased to hear that children have settled in to their new school lives.
