

## *Excellent Remote Learning*

This week, Mr Stacey and I joined in on some of the live Google Classroom sessions and we were amazed at what we saw. Children have responded very well to remote learning and we are really pleased with the progress they have made, despite the circumstances.

Mr Stacey and I also started story reading sessions with year groups on Zoom this week. They are wonderful opportunities to come together and to connect with each other. We hope the children enjoy them as much as we do.

This week, we were very pleased to announce our after school clubs for Spring Term. Children can enjoy French, Dance, 11+ Tuition, Yoga, Fitness & Gym and Coding Clubs all remotely. I do hope you enrol your children into these sessions as they are great opportunities to interact with their friends, learn something new and have fun.

As I am sure you have seen in the news, it seems like restrictions may tighten before they are loosened. Our thoughts and prayers are with you and your families during these difficult times. We will continue to offer every member of our community all the support we can, so please get in touch if there is anything we can do for you.

*Mrs Wyatt - Executive Headteacher*

If you would like to share any good news, celebrations, birthdays, messages or accomplishments with the school community, please write to [newsletter@stjosephs.rbkc.sch.uk](mailto:newsletter@stjosephs.rbkc.sch.uk).

One St Joseph's child created this incredible mural on his window at home last weekend. Using special pens, he drew some of his favourite cartoon characters like Spongebob Squarepants and Mr Strong. He also drew a rainbow which has become a symbol of support and solidarity with NHS workers. The boy hopes that the mural will spread joy and happiness to all the people that see it outside.

Happy birthday to the following children who have celebrated this week: Augustin (Year 3), Clara (Year 6)

W E D N E S D A Y !

Our Wednesday Word for this week which links in with the Sunday Gospel is: **NEW START**

## Nursery

This half term's topic in Nursery is Superheroes! This week the children became superheroes by wearing capes, making masks, writing what their super powers are and making their own superhero vehicles.

## Catholic Life

In RE this week, Year 6 have been analysing quotes from the Bible. Ria considered the meaning of 'Love your neighbour as yourself' and wrote a prayer inspired by it.

Dear Loving Father,  
Thank you for all you have gifted us with, our life, our friends, our family, school and teachers. Our brother and sister all around the world, we should love them with all our hearts as a human, as someone who shares the world with us. We should love them as we love ourselves, our family, you, our lord and those close around us. We should never take them for granted

## Pupil Voice

The BBC are offering parents and carers that are homeschooling some incredible resources and programmes to support learners during lockdown.

Brian Cox presents 'The Planets' – a series which explores the astonishing life story of our solar system.
